

Kindergarten Reading

It should take about 30 minutes to complete this lesson.

What you will need:

- *A parent's phone, your ipad and Superkids or Reading A-Z (Robot) app
- * A magazine, favorite book, comic book or any other kind of reading material

Directions to Students/Supervising Adult:

- * Borrow a phone and get ready for videotaping or recording.
- * Use your iPad and choose and read one story from your Superkids app or Reading A-Z while recording yourself. (You should practice the story first.)

*Remember the reading strategies you learned and use them when you come to tricky parts. Your reading should sound smooth and phrased, just like you are talking.

*Now you may choose another favorite book, comic, or magazine and do the same but this time you can videotape yourself.
